Dear Ministry Partner,

The spring semester here at SJSU has finally begun and we're back on campus preaching the gospel to all who will listen.

This semester we're **SHAKIN' IT UP!** This is the theme that we've adopted for our ministry for this semester. It's based on Acts 4:31 which says:

"And when they had prayed, the place where they had gathered together was shaken, and they were all filled with the Holy Spirit, and began to speak the Word of God with boldness."

Our desire is that our ministry would be characterized by men and women of prayer who are filled with the Holy Spirit and who speak the word of God with boldness. Please pray with me that this would happen. Here are some of the things we've done to help facilitate our prayers:

1. We changed the name, time and format of our weekly meeting to make it more attractive to new-comers and non-believers.
2. We've added a training curriculum for those in our ministry who have a desire to share their faith and have a personal ministry.
3. We've changed the structure of our Bible studies to make them more conducive to new people.

I want to take the time to let you know how much I appreciate your past and present involvement with me in this ministry. I've seen many students' lives changed and the potential for even further impact is enormous!
